

AMBIT

Wiz

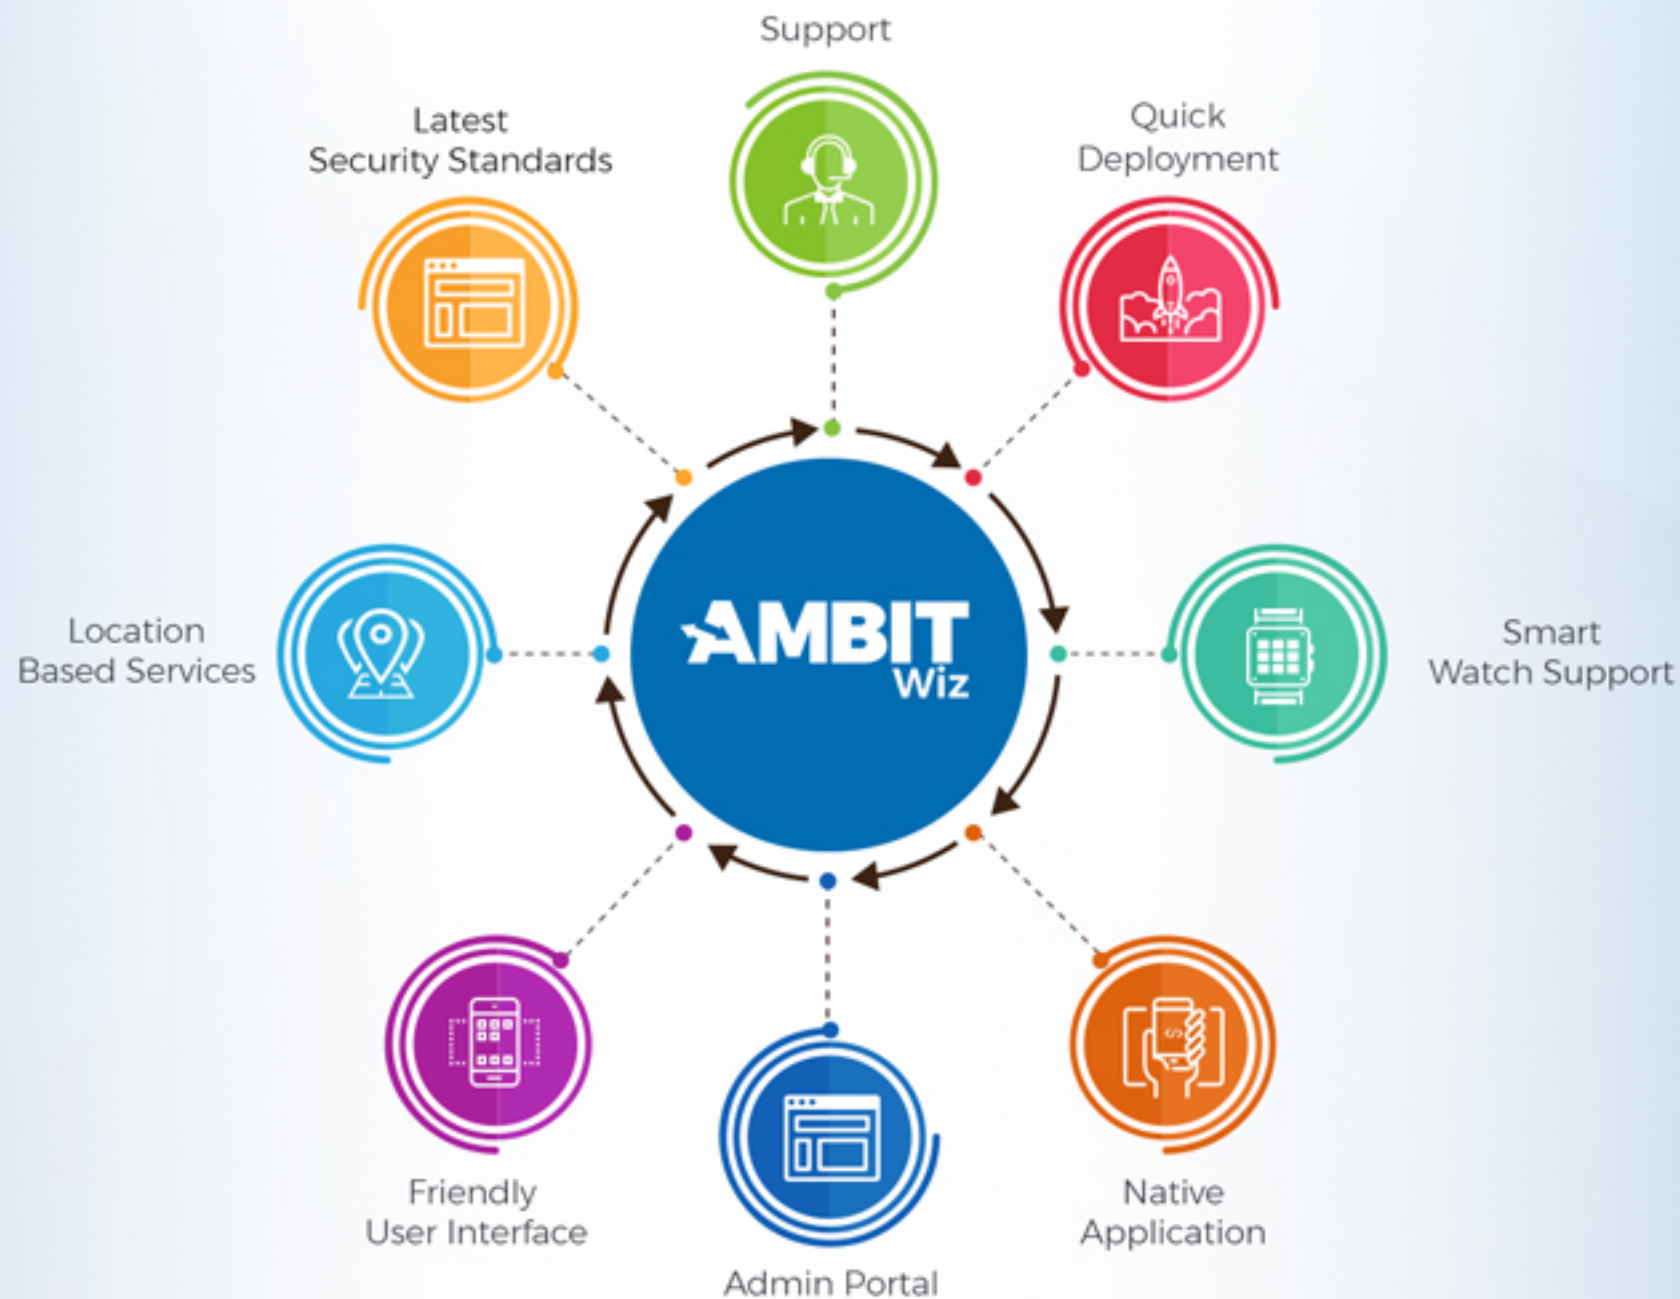

BBK- Mobile Banking

Ambit Wiz is a strategic Mobile Banking & Financial Experience platform that ensures continuous delivery of services to the bank's customers in a manner that is personalized, cost effective, efficient and secure.

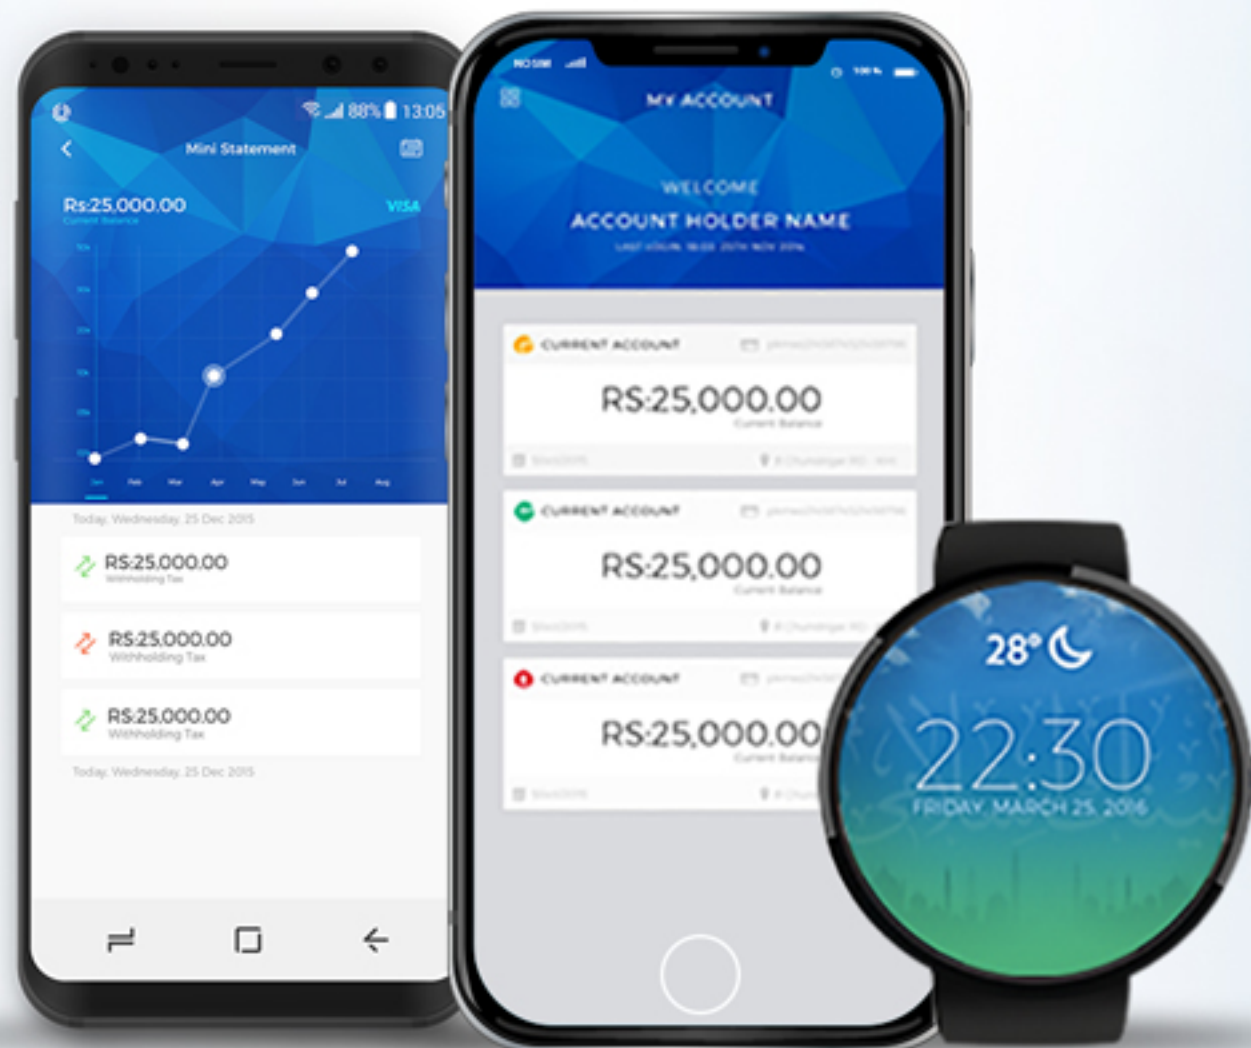

BUILT WITH THE FUTURE IN MIND

Ambit is a state-of-the-art platform that is built as an enterprise wide solution enriching the idea of customer convenience on the go.

BANKING ON THE GO

Ambit Internet Banking app is available on iOS, Android, and also supports wearables.

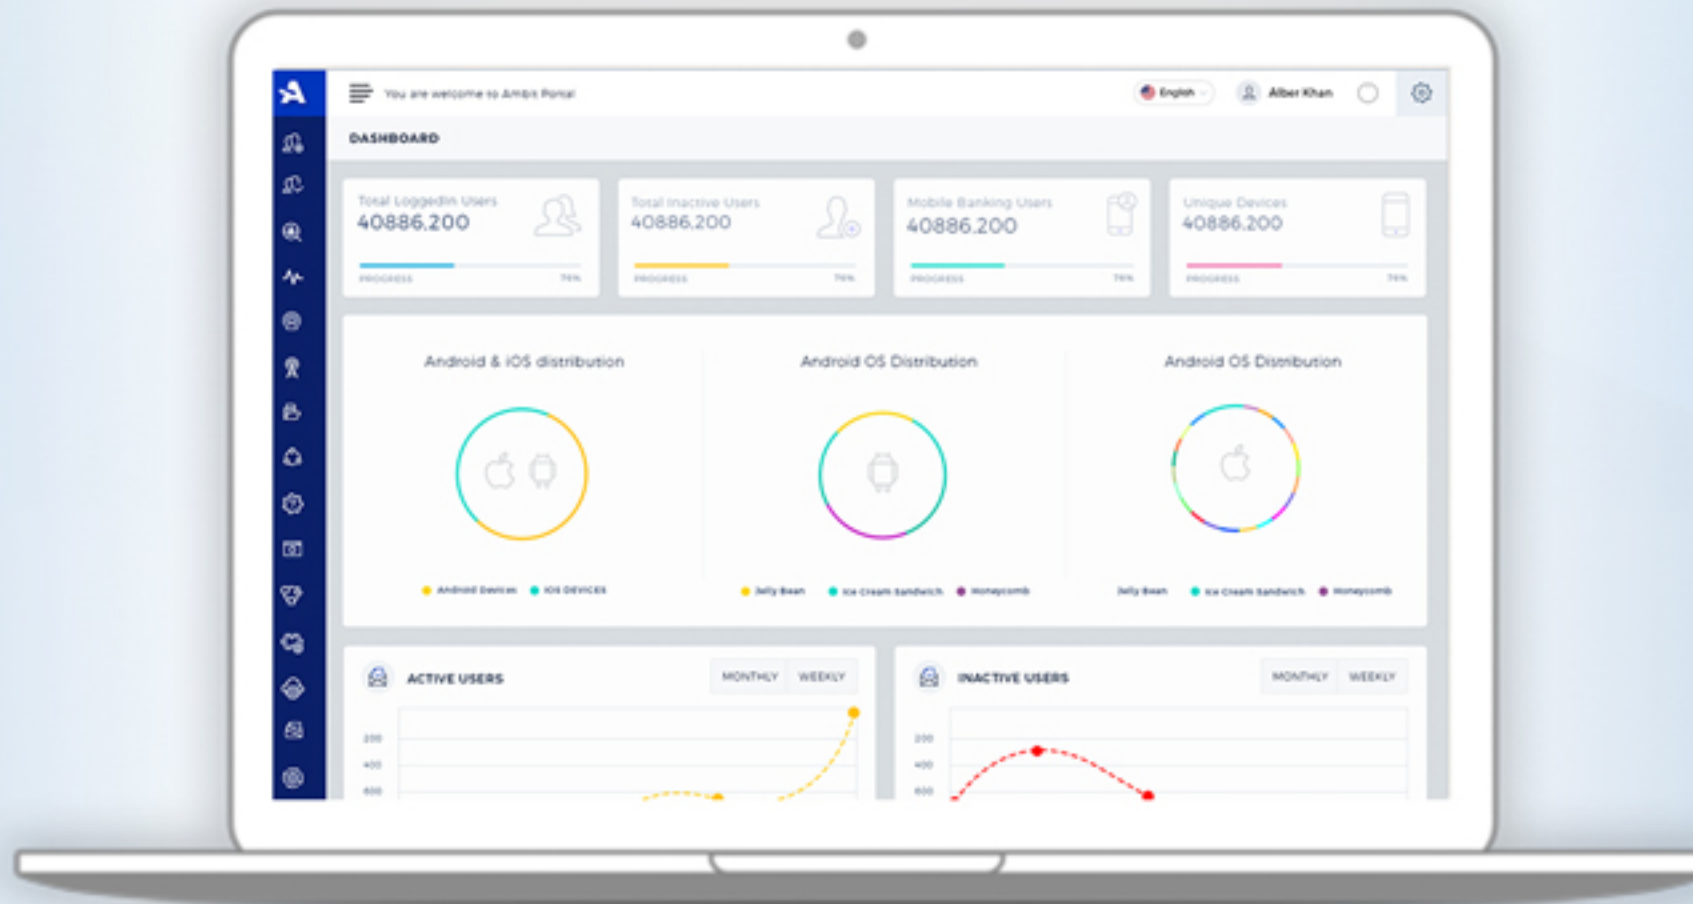

INTUITIVE NAVIGATION & FLOW

With a super-sleek interface, Ambit Wiz is very easy to use with a simple layout and intuitive navigation and flow

WIZ ADMIN PORTAL

A complete management portal created with intelligence and interfaces that inspire.

Ambit Wiz is developed natively to the respective platforms (iOS and Android) which makes it faster and more secure, as compared to competing products that are built on hybrid platforms.

The application is OWASP compliant

All network communications between the mobile devices and the Ambit Wiz API server are carried out via double encryption.
